

Team Involvement in Demonstration

Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the AI WeatherWise project demonstration. Responsibilities are distributed across backend infrastructure, weather integration, location management and AI recommendations.

Team Coordination Notes:

Date		15 March 2024		
Team ID		6ab4d2876603573ccfb56348		
Project Name		Weather & Location Analytics Backend		
Maximum Marks		1 Mark		
S.No	Team Member Name	Role in Demo	Section Presented / Contribution Summary	Participation (Active / Passive)
1	Dharshini A (Team Lead)	Introduction, authentication and API routing	Coordinates project flow and explains backend architecture.	Active
2	Savitha sree M	Weather API, database and Postman testing	Explains weather service integration, MongoDB configuration and API testing.	Active
3	Lavanya S	Location management	Demonstrates saving and retrieving favorite locations and explains CRUD operations.	Active
4	Keerthana S	AI recommendation feature	Explains AI-powered weather summaries and contextual activity recommendations.	Active
Aspect		Details		
Team Lead / Coordinator		Dharshini A coordinates the demonstration flow and overall project presentation.		
Overall Team Coordination		All members contribute to the project demonstration according to the selected brainstorming areas.		
Demo Readiness		Each member should be prepared to explain their assigned feature and answer basic implementation questions.		
Participation		Active participation is planned across introduction, feature demonstration, API testing and Q&A.
